Fund Overview (continued)

1. The company's security is a common stock or income trust listed on the Toronto Stock Exchange and a constituent of the S&P Canada Broad Market Index (BMI).
2. The security has increased ordinary cash dividends every year for at least five consecutive years.
3. The float-adjusted market capitalization of the security, at the time of the review, must be at least C\$ 300 million.

The index methodology incorporates concentration limits to prevent any stock from being more than 8% of the Index weight, any income trust constituent from being more than 5% of the Index weight and income trusts in aggregate from exceeding 30% of the Index weight at each quarterly rebalancing.

The Index is weighted by indicated annual dividend yield, with constituents being reweighted every quarter. The Dividend Aristocrats constituent universe is reviewed every December.

HOW TO PURCHASE CLAYMORE ETFS
