Claymore 1-10 Yr Laddered Corporate Bond ETF (Advisor Class)

\$20.00

Inception NAV

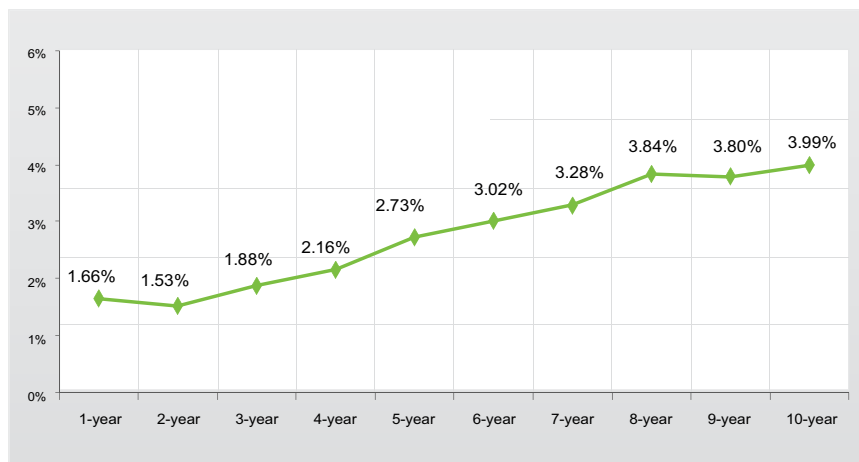

FUND SUMMARY

The Claymore 1-10 Yr Laddered Corporate Bond ETF (TSX:CBH.A), gives investors exposure to CAD-denominated Canadian corporate bonds with final maturity dates between 1-10 years. The Canadian corporate bonds have high credit quality and are rated A or higher.

The Claymore 1-10 Yr Laddered Corporate Bond ETF is designed to replicate the performance of the DEX 1-10 Year Laddered Corporate Bond Index, net of expenses, with minimal tracking error. The ETF seeks investment results that correspond to the price and yield of the DEX 1-10 Year Laddered Corporate Bond Index. The portfolio will hold constituent securities of the DEX 1-10 Year Laddered Corporate Bond Index in substantially the same proportion as they are reflected in that Index. In addition, the ETF has been structured to provide exposure to the staggered maturity dates of the bonds in the underlying Index, which range from zero to ten years

PC-Bond Group does not guarantee the accuracy and/or the completeness of the DEX 1-10 Year Laddered Corporate Bond Index or any data included therein or any other data provided by the PC-Bond Group and PC-Bond Group shall have no liability for any interruptions, delays, errors or omissions therein. PC-Bond Group makes no warranty, condition or representation, express or implied as to results to be obtained by Claymore Investments, Inc., owners of the Claymore ETF, or any other person or entity from the use of the DEX 1-10 Year Laddered Corporate Bond Index or any data included therein or any other data provided by the PC-Bond Group. Management Fees for common class units only. Advisor class units have higher management expense ratios because of an additional service fee payable to registered investment advisors. Commissions, trailing commissions, management fees and expenses all may be associated with fund investments. Please read the prospectus before investing. The indicated rate of return is the historical annual compounded total return including changes in unit value and reinvestment of all distributions and does not take into account sales, redemption, distribution or optional charges or income taxes payable by any securityholder that would have reduced returns. Funds are not guaranteed, their values change frequently and past performance may not be repeated. No duplication of underlying fees on any Claymore ETF held in portfolio.
